

### 放置自転車と自転車駐車場 ●●●●

市では、特に交通量の多い駅周辺を中心として、放置自転車の一掃に努めています。放置自転車は一般交通や緊急車両の通行に、障害や悪影響を及ぼします。

市民が使う駅の近くに、有料又は無料の自転車置き場がありますので、道路や歩道に置かずに、自転車置き場をご利用ください。なお、有料自転車置き場を利用するには、指定の自転車駐車場で登録が必要です。料金は自転車置き場によって異なりますが、前払いで1か月1,030円～1,850円（学生は820円～1,540円）、まとめて払うと割安になります。

### Illegally-parked Bicycles and Bicycle Parking Lots ●●

Niiza City is attempting to do away with illegally parked bicycles, mainly those found around station areas where traffic is particularly heavy. Bicycles that are parked haphazardly obstruct traffic, in particular emergency vehicles, such as ambulances and fire engines.

There are many bicycle parking lots located near train stations, some of which charge fees and others that are free of charge. Please use these lots instead of leaving your bicycle on the street or sidewalk. To use a bicycle parking lot that charges fees, you must register at a designated bicycle parking lot. Fees vary according to each bicycle parking lot, and there are monthly discounted rates of ¥1,030 to ¥1,850 (¥820 to ¥1,540 for students) that you pay in a lump-sum in advance.
